

Jesus Is The Answer Ministries

SPRING/SUMMER 2010 NEWSLETTER

Dr. Kathyne and I both come out of main line traditional churches. We were Born Again by the Spirit of God over twenty years ago. Over the years we have worked hard and have been blessed to have earned our Masters of Theology and Doctor of Divinity degrees.

If you are looking for a dynamic, powerful, ministry to be a part of; a church that preaches the Word of God, then this is the ministry for you. Come and experience one of our meetings.

Or check out our web page at www.Jesusistheanswer.org

God loves you and wants to bless you.

Daytona was a bust. Laconia was great and Sturgis is going to be even better. I pray this finds all of you having an exciting and healthy riding season. We missed seeing many of you at the rallies thus far but you can still make Sturgis. This was our twenty first year at the Laconia rally. We were blessed to be able to hold some special meetings including a Father's Day celebration right at our moving billboard. I pray all were as blessed as we were.

We passed out hundreds of bibles and prayed with many folks. God is so good. He loves us and wants to bless us in every way possible. For God so loved the world that He sent Jesus to planet earth to be the sacrifice for all of us to receive Him as personal Saviour and Lord. Nobody will ever love you like Jesus. He knows what you need and He knows how to bless you. Truly Father knows best!

Praying for the needs of His people:

We are getting ready for our annual trip to Sturgis. This year is their 70th and we are expecting God to do awesome things. We will be ministering under the tent all week at Black Hills Baptist Church in Whitewood SD. Whitewood is just five miles west on I-90 Exit 23 Hwy 34. The church is right in front of you as you come off the exit. I hope to see you there. Sunday morning at 10 and again at 7 and continuing all week long. Special events each night TBA. It will be an awesome time in the Lord. Please join us, all are welcome and we will celebrate the Lord and have great fellowship in Jesus.

Remember, Jesus is the Answer, all you have to do is ask Him and He will answer you and lead you in the best path for your life. We can help, come and see us or email us and we will help.

We will be praying for everyone and blessing the motorcycles for all who want their bikes blessed. If God be for you then who can be against you! Put your trust in Him and you will never be disappointed.

Blessings, Pastor, Dr. Russ.

As Christians we need to know and understand where thoughts come from. Every thought that comes into your head is not your own – nor is it necessarily from God but the adversary of our soul can & does put thoughts there that are contrary to the Word of God and contrary to your character and nature. We are new creations in Christ. The person we were, was buried with Him, as the water Baptism signifies, and risen with Him into a brand new you and a totally new life in Him. (2Cor.5:17, 21; Rom.6:4) A you that is more than just a conqueror but a person that can live a victorious life in Him because His Life is now in you by His Spirit and His Word. We are victorious in every battle because Jesus defeated all the works of the devil, the Name of Jesus is above ALL other names, and this greatest One is in you. (1John 3:8b; 4:4 & Phil.2:9,10) Yes the mind is the battlefield that our adversary chooses as everything we say & do starts with a thought. If he can defeat us there he thinks he's got us but not so. Our God is for us and never against us! (Read Romans 8) Even though our own carnality is in enmity against God, we are now new creations after the image & likeness of Him who has given us His Holy Spirit & His Word to keep us righteous in Jesus' righteousness. You know the righteousness that we got through the Blood of Jesus. This is why, my friend, that we MUST take every thought captive and put it under the obedience of the Word of God. (2Cor.10:3-5 & Phil.4:4-9) This means that we have a choice daily. When you chose to follow Jesus, that was just the beginning. Our God, though He Loves us with an all consuming Love that is Eternal as is He, never forces Himself on us. His Love is the most powerful force in the universe yet it is always our choice to choose Him or His way. He tells us that in both the old and the new covenants that death and life are put before us continually. He says to choose Life that both you and your seed may live in my Blessings. We can live in the abundance of His Life as we choose to speak out the Word we've come to know. Stand in the promises that gives us all we could ever need for our life and godliness. Trust in the finished work of our Lord and Savior Jesus the Christ, for He truly is LORD OF ALL! Pastor Kath 😊

Are You Doing Your Part?

And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Revelation 12:11

God wants to use your testimony!

Not your friends or someone you heard about, but yours.

If you have a relationship with Him, you have a testimony. Something changed your life. Your testimony is a powerful means for reaching the lost. Your testimony is what your life was before Jesus, how you got to know him and what has Jesus done to change your life.

It's all about sharing your story to a person that is lost. It plainly tells people what Jesus did for you and what Jesus can do for them.

God anoints paper and sends His power through it to the hands of a man that needs it.

Just like these newsletters.

A few years back the Lord led me to start writing a newsletter for Jesus Is The Answer M/M. Never in my life would I have ever thought by doing what the Lord put on my heart would result in something so dear to me, an answered prayer that was between Him and me even before I was saved. He hears all prayers!! He answers all prayers!! He is just waiting for you to give it over to Him and have a relationship with Him.

While the motorcycle ministry is out doing outreach we usually have newsletters on hand to pass out and a sign up sheet. I am faithful each time a newsletter comes out to make sure everyone on this list receives one.

This precious person that I knew only for a very short time 30 years ago, ended up on this mailing list. I have prayed for this person all the time that his life would turn out right and that the right people would

Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,

Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:

Eph. 1:20-21

be there to help direct his life. All I could do was pray for this person.

Just a few months ago, I received a call from someone regarding this person. He needed help. I had kept giving it over to the Lord for direction here. The flesh wanted me to do whatever I could no matter what. I have come to realize in my walk with him that I need to do what He is telling me to do and not my flesh. With all that was going on with this person's life I couldn't help him. Only the Lord could. He needed to come to the Lord and the Lord would help him. I prayed and prayed for him to have someone in his life tell him about Jesus.

Come to find out this person was receiving a newsletter from the ministry all along. I had never known that this person was on the email mailing list. An answered prayer, Thank you Lord for your ability to touch this person where he was and to have your arms around him forever. Each time I have ever written a small article it's been what the Lord has put on my heart, to write about my walk with the Lord. Remember just paper. Oh, what God can do with a piece of paper. God did it, He needed someone to write their testimony and give it to a lost soul this person I knew 30 years ago, so He could save him. You need to share your testimony it is so important, through it God will touch people.

But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear:

1 Peter 3:15

Always be ready. Be constantly ready. Are you ready to share the hope that is in you with the people God brings into your life. Your testimony, you speak it or write about it, needs to come forth like a river of life and touch all that are around you. God did not save you just for you. You should share your testimony to His glory among the lost and His miracles among all people.

When you are saved, you should joyfully testify of your salvation and declare all of God's doings among all people.

Please forward your personal testimonies to me: Jo@Jesusistheanswer.org and I will try to include them in one of our newsletters for the world to see the hand of God moving in your life.
