We are a Biker friendly Church, all are welcome.

Be blessed this fall riding season

Sturgis was awesome this year as always. The weather had it's challenges that is for sure. Some horrific storms with hail that took out windshields. I pray all were safe and made it home with all intact.

We do want to offer our condolences to the Rossmeier family as all that attended or heard of the lost of Bruce and the unforeseen accident that took him home. It certainly was and is a great loss to the entire motorcycling community. We will miss you Mr Rossmeier.

In spite of the tragedy we were able to see many hearts and souls touched with the saving knowledge of our Lord Jesus Christ.

We had an awesome meeting at the Black Hills Baptist Church on Sunday morning. Many souls were touched and many souls won to the Lord Jesus by the outstanding efforts of all, especially the Harley give away on main street. We look forward to next year and all the Lord has in store for all of us.

We just returned home from Biketoberfest had several meetings one of which was a Biker Sunday at: House of Power in Hernando Fl.

Bishop George and all his wonderful people did an awesome job with the hospitality and allowing us the use of his facility. Great job and well done! The food and the fellowship was excellent. One of our main goals is to do Biker Sunday's at the local level. These meetings are designed to stir up the local church and to have everyone participate. We promote community awareness for the local church that is biker friendly and have an anointed time together in the Lord.

We are available to come to your church and you will not be disappointed at what the Lord does at these meetings. These meetings are designed to stir up and bless and to encourage you and your people in the Lord. Almost everyone has a bike or knows a biker. We want to breakdown the stereotype and bring all of God's people together and be blessed in His presence. Your people

will be blessed and your community will be stirred and blessed as we minister under the anointing and see the Lord heal and save souls for His kingdom. There is a lasting presence and churches grow as the community comes to know that there are folks like them all over this great country of ours and around the world. Please contact us for more information, how you can have a Biker Sunday in your church or community. We are also available for extended tent revival meetings where the anointing grows each and every night and people are saved, touched and healed by the power of God. This is the vision and the call the Lord has laid on my heart and I know we can be a blessing to you and your church. For more information please contact us at:

I pray these newsletters are a blessing to you. Please let us hear from you and remember God gives seed to the sower. Check out our product on the last page. You can order anything there and we will send it right out to you. Looking forward to seeing all of you in 2010 at one of the many rallies we attend. We are available for preaching, teaching, weddings etc. Blessings, Dr Russ

Don't throw away your tomorrow by not living God's promises for you today!

The Father has said, "behold I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live". That's Deut.30: 19 but we must read on into vs.20 that says, "That thou mayest love the Lord thy God, and that thou mayest obey His voice, and that thou mayest cleave to Him: for He is thy Life, and the length of thy days". I believe that vs.20 is telling us how to live after we've made the choice of Life, for our lives are now hid in Him, as born again believers. (Col.3:3) Dead to the flesh our desires are now set upon Him and He truly does work all things out for His glory and our blessing.

Phil.1:6 reminds us that we can be absolutely confident that He is not going to start a good work in us and then leave us high and dry in the middle to fail. No, No, No! He that began this good work will see it to the day we see Jesus face to face. Then we shall be like Him; for we shall see Him as He is, 1John3:12. When Eph.2:10 says, that we are His workmanship, you need to know that He created you with a purpose in mind, ordained before your birth, which was good! Phil.2:13 confirms this thought in saying that it is God, Himself, working in us both to will His good plan and purpose for our lives and to perform it (do it), which is His good pleasure! Our life and blessings are His pleasure. He willed it. Just as Is.55:11 says, He watches over His Word to see to it that it accomplishes what He pleases. So my friends, we need to take great comfort in the fact that we are "the apple of his eye" and the "objects of His affection".

When we choose the things that please God we are not satisfying some selfish motivation of His but we are choosing to abide with, follow after, cleave to, put our faith in and obey the Creator of the Universe. The one who created us so that He, that is Love, can love us and be loved in return and He can love the world through us as we spread the Good News of the Gospel of Jesus the Christ wherever you are! He has given us all things that pertain to life and godliness – Peter said that. He knew how Jesus and the Holy Ghost changed his life and enabled him to do "greater works". He is another excellent example of someone whose life was radically changed by Jesus and again by Holy Spirit when he got filled with the Holy Ghost. He went on to do mighty exploits, in Jesus' Name. He knew who he was – "silver and gold have I none but such as I have rise up and walk" (Acts 3). He knew also who was in and with him, following His leading til the day he left earth.

God's dream for all of us is for Him to be in you and you in Him – to know Him and the power of His resurrection, to be all He's planned and purposed for us.
Live today to the fullest – don't throw away your future by not living God's dreams for you today!

Of the Most High Cometh Healing

The Lord will never give up on us, no matter what. We might give up on ourselves but not HIM.

I have all my life thought, I can handle all that is thrown my way. I am invincible. The word invincible..... Incapable of being conquered Over-run or subjugated Under enemy control Dominated

You must be thinking boy this one is so full of themselves. Maybe, but it was the only way I could survive the life that I was living in at that time of my life. Remember I was in the world. And did not have HIM abiding in me.

When I was a young girl and we all have stories of our past this one is really no different from anyone else's. Things occurred to make me grow up quickly. Everything I did in the beginning of my life seemed to go wrong. In the eyes of others that I knew I was to blame for all that was going wrong, sounds familiar, the beginning of the Bible in Genesis. I tried to please everyone and to do what they wanted or expected of me whether I really wanted to or not. I always never thought about me. When you live in the world you learn to survive in the world. Whether you learn to be aggressive and

out spoken, or quiet as a mouse to fit into whatever circumstance needs to be. When the stress and all that was happening to me and around me was too much to handle it I found a way to let it go...I buried it like it never happened and to never see it again. I was good at that. I built this vault that was unbreakable. And no matter who you were or what you did to me. It didn't matter. I could handle it and survive.

Until one day, Halloween night in 2004 when I began to break. When the Lord came to me and lead me away from me to save me. This ministry Jesus Is The Answer is where he sent me. My life has never been the same. Allowing Jesus to be my Lord and Savior.

Living as a Christian and how he wants me to live in the beginning was like easy.....the longer you walk and have buttons (buttons are trigger things that happened in the past that I thought was buried) come back to face you now. How was I going to handle this, I ended up going the only way I knew and knew strongly. The worldly way. Yes, I am a Christian and yes I have the Holy Spirit living in me and yes there were so many times I regretted the choices I had made and am thankful for repentance. The one button that the enemy is pushing harder and harder is the cancer button and death. I pray for my family, friends and

my Pastors. Even people at work ask me to pray which is such a blessing to me. But do I pray for myself....the Lord is working over time with me on this remember though he isn't pushing he is and always will be the gentleness within.

Nothing is impossible with Him. He can break through vaults.

I am like I have faith I believe His Word. Even on my m/c I have Daughter your faith has made you whole. I believe that.

But He asked me do I ????? really.....believe I will be healed. Listening to reports....which are not good. Even a nurse told me that I just signed my death wish...I heard this small still voice say to do believe.....have faith in me...

He is showing me that I need my past and all of it out in the open to really give it over to HIM so that the healing can truly happen. The last piece of the vault came crumbling down when I least expected it. I realize that piece is the most important piece because of this one I truly deeply hated myself for what happened. I started to do the worldly thing and tried to fix it....He stopped me and the Godly advise from my Pastor..That the Lord will take care of this matter. Daughter, your faith has made you whole. Whole not physical only but truly whole all of it. I believe with my entire being I will be totally healed of the cancer.
