The Real Reason For The Season

Season, interesting word: *a time characterized by a particular circumstance or feature*. We are in the greatest season of all mankind. The season of Grace. This is Father God reaching out to a lost world and calling all who will hear His voice to come into the fold. This season of Grace started over two thousand years ago with the birth of our Lord Jesus.

This time of year (season) let us focus on His great plan and commission. It's not just about us and our families but it is all about Him. Why did He come? What is it really all about? I want to tell you it is all about you. Scripture states that God so loved the world that He gave Jesus. John 3:16. Why did He give Jesus? Jesus came to save the world not to condemn it. John 3:17

Everyday all year through we have the glorious opportunity to share our hope and the love of Father God by sharing the knowledge we have of the Saviour. Jesus is the reason for this time of year not the economy. But the real season is the season of Grace and one day just as God the Father shut up the doors of the ark in the days of Noah, He will close up this season of His wonderful Grace and this season will be over. Now is the time, today is the day; this is the expected day of salvation. If you are Born Again by the Spirit of the Living God then it is your responsibility to tell all you know. It is time to be a part of a Ministry that focuses on winning souls to our Lord and populating heaven. These are the greatest days to be alive and see the coming of the Lord. Now is the season! 2 Cor 6:2

We have had a dynamic year in the Lord. Thousands have been touched with the saving knowledge of Jesus. As many of you know we travel extensively and pass out the Holy Living Word of Almighty God. The Good News that can and does change lives. Father God has a perfect plan for all of us. He wants you to experience life, real life now and for all eternity.

I want to take a moment as we close out 2010 and thank all who help and support our labors in the Lord. Space does not permit me to name names, but more importantly know this; that your labor is not in vain in the Lord. One day soon we will all be together in Glory and what a day that will be! In the meantime be a part of this last dispensation of Grace. Be a part of what the Lord is doing. There is no other answer but Jesus. He is truly the reason for the Season. Be blessed and be expecting a blessing from above. The Lord loves you and knows your needs. He watches over you and me. He watches over His Word and He sends It to accomplish what He chooses. He is an Awesome Lord and He really cares about you, all of you.

Just try Jesus, let Him into your life. Lord Jesus, come into my life, forgive me, and right now I receive You to be the Lord of my life. Now tell someone about Jesus He's your Lord.. Dr. Russ

Once upon a time a long, long time ago a special baby was born. There was so much excitement and joy because many knew that he was the Messiah that God had promised. There were wise men that had been looking in the sky, studying the stars and when they saw this bright and shining star shining in the East they knew that the greatest King ever was about to be born. So they packed their camels and followed the star til it stopped over the manger where Jesus was with Mary & Joseph. Angels appeared to the shepherds in the fields watching over their flocks at night saying that they had great news for everybody. Then they began to sing about this Savior that was born. The shepherds also brought some of their sheep to the manger in Bethlehem where the newborn babe lay. At Christmas time we continue to be happy with great joy because we know also that Jesus is Savior and King of all Kings. Have a Merry Christmas, be Joyful, keep the shiny side up and we'll see you on the Highway in 2011!!! Dr. Kath 😊

Arise and Stand

That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. Romans 8:4

Who then is Paul, and who [is] Apollos, but ministers by whom ye Lord gave to every man? I Cor 3:5

For it is God which worketh in you both to will and to do of [his] good pleasure. Phil 2:13

For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end. Jer 29:11

And be renewed in the spirit of your mind; Eph 4:23

One time or another we have all had thoughts about our future, where will we be, there are so many maybes out there to ponder about, will we be here to see it come to pass.

Are you hopeful or are you dreading it?

Some people who have lost their hope look at their lives in a negative outlook on the future with doubt, worry and fear. This is so sad since they are being stubborn in not giving it over to the Lord and thinking they can take care of it. Do you know God can be stubborn too? He doesn't give up on us or give in to us. He is faithful to lead us to what we need.

Hope is the total opposite of doubt, worry and fear.

When you have the faithfulness of God, your future can only be viewed as a positive outlook for the future. Whatever it may be that is unforeseen that is happening in your life can always be turned into a testimony for all to see the hand of God in it. This is how to hold on to hope and refuse to give up. You rise above the situation.

In Hebrews 11:1 it tells us faith is the promises of His Word of things hoped for because when you trust in God, he provides for us his power and His ability to lead us in every situation.

Faith... what is it?

Faith is what the Spirit uses to light the fires within you. When the Holy Spirit gets working in you, and the Spirit causes a major change in you. All of your life gets turned to God's direction, your thoughts, your dreams, your priorities and what is truly important. It's not just about how you come to Christ, but how you live your new life by the way of Christ. The Spirit works overtime to lead us to be obedient. The Spirit does this through faith. Read Romans 8:4, Philippians 2:13 and I Corinthians 3:5.

This leaves the unanswered questions are we going to handle this or are we going to give God this situation to handle it. When we realize we have to give it over to Him this will keep us at peace, and enables us to know that the best days are ahead of us to come. We will begin to have this inner strength and courage.

Hope is so powerful that the enemy tries extra hard to steal this from us, because if he does take hope away from us it leaves us with doubt and fear and that is his way of planting thoughts into your mind. Such as you will never be healed, death is just around the corner you will never see the future. With these thoughts you convince yourself that you never will have a future.

With this negative thinking it will take away the blessings God has for you. Which if he/the enemy steals your hope he is also taking your today and your tomorrow away from you.

I pray right now that you rise above whatever situation you are having and to give it over to the Lord so he can give you hope for your future. Read Jeremiah 29:11

It is so very important to keep our mind focused on Him in order to see God's plan for us today, tomorrow, and for the future. Look up Ephesians 4:23

The Book of Good News is filled with stories about people just like you and I who have experienced the same things. It's not just stories that took place so long ago, it's real.

Remember, He knows our every move before we do it, think it or say it. This is no surprise to Him. God sees your heart and is always ready for you when you finally refuse to carry whatever that is holding you back from having a future that is beyond our wildest dreams. As a Christ filled believer we must constantly renew our minds. Think according to God's Word. Thinking about your future then trust in God and he will take care of the rest. The person who puts there trust in God knows even when things don't go the way they have hoped for they know He has a better plan.

Trusting and leaning on Him brings rest to our souls, making us able to live the way He wants us to live. Trust grows each step we take in faith and experience His faithfulness.

When you *arise* above situations and *stand* on His Word you will see amazing things take place in your life.
