## The Journey To Bike Week 2011 And Beyond

Getting out of New England in February is a journey in itself. The trip to Bike Week 2011 was awesome. It was exciting! It was eventful! It was just amazing. I take time and preparation in having the equipment set for the trip. Some of the events on this journey, including blowing three tires, was surprising as our tires, we were told, weren't old and were not under pressure, but nevertheless, we experienced some detrement on our journey.

The Lord is always so good. Even in the face of adversity is opportunity. The provision of God, the ministering to the people, the opportunity for "The Moving Billboard" to be seen in different locations. There were some awesome times as Bibles were passed out, people were prayed for, and it was God truly providing. Even in the setback and hardships, such as losing a day's travel to and from Daytona, we were able to minister to people there and it's all... It's all a blessing, really.

The revival in Edgewater was an awesome move of God. To see people coming from all over and being touched by the power of God was remarkable. We thank Pastor Paul and the family of Light Of Calvary Church for providing us a venue to stop and share the Lord in that area.

We were blessed by the fellowship and love extended to Jesus Is The Answer by Pastor Dean and his congregation and the Baptist Association at Harbor Oaks Baptist Church, Port Orange, Florida. On Monday of bike week, we set our trailer at Harbor Oaks Baptist Church, right on Rte 1 and just before the famous bar "The Last Resort," and ministered with great success for the entire week. We will never know until we reach Glory the souls that are actually touched and won to the Lord Jesus through theses types of joint efforts in out-reach ministries. And we look, with great expectation, to continue successful ministry at these locations.

We are asking for prayer, support, and help as we reach out to these major motorcycle rallies across this great country of ours.

As we travel Jesus Is The Answer Ministries is dedicated to passing out the Word of God and winning every soul possible. We want you to look for "The Rolling Billboard" as it rolls through your neighborhood. And *never* think twice about stopping us and asking for prayer and a Bible. We are here for you and we give the Lord all the praise and glory for this opportunity to share His love, grace, and mercy to each individual.

Blessings, Dr. Russ

A newsletter would not be complete from this ministry without giving you the glorious opportunity to be Born Again. Why must we be Born Again? The Bible clearly states Jesus speaking in John's Gospel (good news) chapter 3, that we must be Born Again to see the kingdom of God.

Men, all men, have sinned. The Word of God states that all are sinners and all need a Saviour. The gift of God is eternal life through Jesus Christ and Him only. The Bible clearly states that if we believe in our heart and confess with our mouth Jesus Christ we shall be saved. Romans 10:9,10

I want to take this opportunity to give you an opportunity to receive Jesus Christ as your personal Saviour and Lord. So right now, by faith, say this prayer with me and ask Jesus to forgive all of your sins and come into your heart to be your Saviour and Lord from this moment forth. *"Lord Jesus, I ask You to forgive me of all my sins. I receive forgiveness right now. I ask you to come into my heart and be the Lord of my life from this moment forth. Fill me with Your Holy Spirit in Jesus name I pray, Amen."* I know it sounds simple and it is, but if you say this prayer and say it until you believe and receive it, your life will never be the same.

If we can be of any help in the future, because you need a bible, or you said the prayer, then please let us know at [office@jesusistheanswer.org](mailto:office@jesusistheanswer.org), or meet us at a rally, or come to one of our dynamic services at 246 Moore St. Lowell Massachusetts .

May the Lord bless you and keep you, lead you, guide you, and provide for you from this moment forth, is my continued prayer.

Dr. Russ
