We are a Biker friendly Church, all are welcome.

We had an awesome time in the Lord as we held our 5th annual revival in Daytona at Light of Calvary Church in Edgewater, Fl.

I was also blessed to spend some time preaching and teaching at JUMP Ministries in Orlando. A great church and wonderful Pastor Dr. Duron Hepburn. We are looking forward to being with them again soon.

The rest of this season is going to be extremely busy and exciting in the Lord. We will be at Nashua Harley in Nashua, New Hampshire on April 25th. We will be at the Lobster Pond in Laconia on the 17th of May for

their first annual swap meet and bike/car show. And then on the 23rd thru the 25th we are hosting our annual Biker BBQ and Bike Blessing. This year it is a three day event with special guest; world famous striper Dave Davies. You don't want to miss any of this. Special Biker Sunday on the 24th at 10 am. I hope to see all of you there. Monday on Memorial Day is the Bike Blessing and free BBQ.

Life is so very short, you want to make the most of it while you are here on planet earth. Jesus came

to give us life and that life is to be abundant life in Him. I pray that you will take some time to pray this short prayer and invite our Lord and Saviour into your heart. He came to planet earth that we might receive what He did on the cross for each and everyone of us. Salvation is a free gift. Even a free gift has to be accepted. You have to receive Him into your heart to get all that He has done for us. It's not enough to just believe. The Bible declares that even the demons believe and tremble. The Lord said that we must confess Him. It is that simple. Ask Him right now to forgive you of all your sins and to come into your heart to be your Saviour and Lord. He will bless you and help you all the days of your life. He is calling out to you right now. If you said that prayer and meant it we want to help you. Contact us, Dr. Russ

Hi Everyone - Happy Spring and a Happy Resurrection Day to you all! Spring is definitely here although the evidences may not be visual yet, at least not in New England! The snow is gone and April is showering but the air is still cold. Praise His Name!

Seasons come and go but our Lord is always the same. What He has done for one He will do for any and all that call upon Him. **“For” God so loved the world, that He gave His only begotten Son, that *whosoever* believeth in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world through Him might be saved” John 3: 16 & 17.** This is Jesus speaking here about our Heavenly Father and about himself. Right here Jesus is saying that both He and the Father are in agreement as to who did what and why. Our Father God is Love and Jesus was the personification of that Love in the earth when the Father sent Him. It was His Love for you and me and all of mankind that drove Him to the Cross to *finish* the works that only He could do for our Salvation. We *all* need a revelation of the Love of God, to receive it and to give it. That’s the kind we get when we give our lives to Him and let Him be Lord. We pray that you will come to know Him and the power of His Resurrection this Easter season in a new and living way.

That Christ may
 dwell in your
 heart by faith;
 that ye, being
 rooted and
 grounded in
 love..
 Ephesians 3:17

Looking forward to this time of fellowship with all of you!

May the Lord’s abundant Love bless you this Easter and always!

Is Your Confidence in HIM.....

Jesus came to bring us life and change to all of our lives. To walk with Him we must agree with Him. He says He loves us and accepts us. One of the things Jesus came to change is our thinking of how we look at ourselves. *Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee..Jeremiah 1:5*

He approved of us and has made a way for us to have an abundantly blessed life. God is a God of hearts. He sees our heart, not just the outside the flesh that seems to get us into trouble. I believe if we truly listen and obey His voice he will help us keep the two separate. *For as he thinketh in his heart, so is he..This is in Proverbs 23:7.*

I personally don't believe we can even begin the process of change until this new change in us is settled in our individual lives. Change requires correction. People who do not know they are loved have a

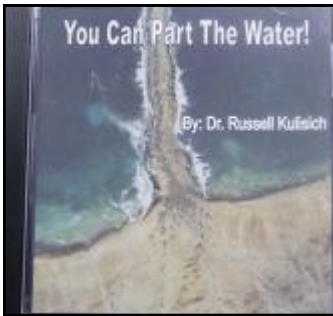

hard time receiving correction. Correction does no good to you if it is not received. Correction needs to be given in love. The same way in order for Him to change us, He must correct us. To grow in Him and change, we must trust Him. Often He will lead us in ways that we cannot understand, and during those times we must have a tight grip on His love for us. The blood covenant was, and still is, the strongest agreement that can be made between us and Him. We offer what we have, and He gives us what He has. He takes all of our sins, faults, weaknesses and failures, and gives us His ability, His righteousness, and His strength. He takes our poverty, and supplies riches beyond we could ever dream of. He takes our sickness and diseases, and gives us His healing hand. He takes our messed up past and gives us a future beyond our wildest dreams. In ourselves we are nothing, but in Christ we have a future worth going forward in. In Christ means we have placed our faith in Him concerning

our lives. It's a daily process to give it all over to Him and truly surrender it over. We need to know who we are, our direction and our calling-His will for us not ours. We are all different just like how he created the sun, the stars and the moon differently from each other. Each of us meets a need, and we are all part of His overall plan. When you accept what His plan is for you the change will begin. *Blessed is the man that trusteth in the Lord, and whose hope the Lord is. This is in Jeremiah 17:7.* To succeed at anything, we must have confidence, but not in us. It must be confidence in Him. He wants us to succeed in all areas of our lives. Confidence is having faith in Him. We must be consistently confident not occasionally. When you loose your confidence, you leave a door wide open for the devil to step in. In Romans 8:37 Paul assures us that through Jesus we are more than conquerors'. Believing that the truth gives us confidence. By Jo
