## The Summer of '09

### Rain rain and more rain

It makes me think of how our Lord keeps raining down His sweet love on us. His love is never ending. It is true that we have had a lot of rain this summer. Very rainy in Lacombe this year; in fact it was the rainiest in twenty years of ministry at that rally. We still passed out hundreds of bibles and saw souls saved by His grace and power.

Our new trailer/moving billboard works awesome. It worked much better and kept all the bibles and support product in much nicer condition. We have had many more people drawn by its awesome presence and witness to Jesus. This is what it's really all about "Souls".

Our annual Blessing and free BBQ was a great success this year too. We had a three day event with some special guests. Dave Davies world famous bike stripper was with us along with Teen Challenge with the raffle of a brand new 09 Harley.

Many riders from all over came by for the Motorcycle Blessing and free BBQ. It was another awesome day in the Lord. I want to thank all who participated in this years event, we could not do it without you!

Next year will even be better. Mark your calendars for the annual Blessing and Free BBQ every Memorial Day Weekend.

Summer isn't over yet, as I write this we are preparing for the Sturgis rally. We are going to see some awesome things happen in the Lord. We will be preaching a Revival at the Black Hills Baptist Church and we will work the streets and use our moving billboard to win souls to Jesus. I want to thank all of you who support this ministry. We need your prayer support and your continued financial support if we are going to complete all the Lord is calling us to do. Be a part of this dynamic ministry. Even if you cannot come in person you come by your prayers and your loving support. Every Bible passed out and every soul won is accounted to your heavenly account. Store your treasure in heaven is what the Lord instructs us to do. Be blessed to be a blessing in Jesus' awesome name, Dr. Russ (Mat 6:19,20)

## How is your relationship with our Lord and Saviour?

Are you in such a rush each day that you forget about HIM? He never forgets about you. He is always right there.

You need to develop and deepen your time with Him. You need to take time out for Him.

One way to increase your time with Him is to journal. I have always kept a journal, for me when I write it or use the computer it reinforces it more to see it.

It forces you to take a break in this fast world we are in to sit before Him and to read, hear and reflect on His powerful Word.

While documenting His Word you'll see the work in your life change.

It also gives you discipline and structure to your prayer life.

Don't make this a duty or it will take away the joy of spending time with Him. Although you must make spending time with Him a priority or it will never happen, you must realize that He wants you to enjoy the time you spend with Him just as He enjoys spending time with you.

You can really start anywhere he directs you to. Here is an example.

### Scripture to read

Genesis 1-2

Psalm 1

Proverbs 1

Matthew 1

### Meditation on the Scripture

He (God) created human beings in His image. He created them male and female. He blessed them and said, "Have many children and grow. Fill the earth and be its master. Rule over the fish in the sea and over the birds in the sky and over every living thing that moves on the earth." God said, "Look I have given you all the plants that have grain for seeds and all the trees whose fruits have seeds in them. They will be food for you."

Always remember to give thanks to Him and honor Him with your words. You might even want to sing praise to Him that you are familiar with that stimulates your heart to remember and express gratitude.

Make a decision today to commit your life and all you do to Him, to surrender all you have for His purpose and His use and to subject yourself to His will.

**Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time:**

**1Peter 5:6**

## With God, Nothing is Impossible!

The Lord wants to bless each one of us, and to give us a life that is way beyond what we could ever think or want. He wants to bring us a deep-rooted joy and also wants to challenge us, stretch us, which might even frustrate you at times and even might lead you to a moment of wanting to quit. He will teach us how to be empowered, He through His word will teach us how to turn adversities into opportunities. It will strengthen our faith in His desire to fulfill the dreams He has put in each one of our hearts.

You need to be determined to push and push forward no matter what things look like. We all can have this deep, one on one relationship with God through Jesus Christ and have the best life. He doesn't pick and choose he is no respecter of persons.

**Read Acts 10:34**

In **John 14:6**, Jesus said "I am the Way and the Truth and the Life." Jesus is the way, and He will always help us find a way where there doesn't seem to be one. We, all of us in one way or other are struggling with something, whether it's related to finances, job related, and or health related. We need to always remember in **1 Corinthians 10:13** it says, He will always provide a way out. As long as we look for it, wait for it

and to never give up. We need to trust and believe in HIM.

In my own life, since receiving Jesus I thought wow this is awesome. He is blessing me and my family we are on the right path things all around are changing for the positive. My son is clean from drugs and working and doing the right things. Going to church, helping others and tithing. I began to learn to truly forgive the person that physically harmed me. My family began to heal all the open wounds that were there before we found and except Jesus into our lives. Then out of nowhere it's pow.....the enemy is slick he worked through my family and started tearing that apart. He started to destroy my health and tries to and still does sometimes he plants doubt in my mind. Whether it's through family members, doctors or even other believers. That's where the good fight of faith comes into the picture. We need to take that thought captive and bring it in to the obedience of the word, We need to stand on His promises to us and hold on tight. His word is True! When your foundation isn't strong it starts to crumble. The enemy walks right in and takes over. The enemy is so slick in trying to take us out. The one thing that we have that he doesn't is that we have the name above all names and that is Jesus Christ.

We may all be facing difficulties,

but at least we are pressing and moving forward. **Read Isaiah 43:2.**

We may all get tired of the situations going on we need to be continually leaning on Him. Remember with HIM, all things are possible. His ways are above our ways and His thoughts are above our thoughts. When we are confronted with adversity, don't ever say I can't do this anymore instead have the spirit of a conqueror. God is for me. He is on my side and I can do all things through Christ who strengthens me. We do have the authority over Satan. For us to have the power over Satan we must submit ourselves to God; we need to be obedient to Him.

We must not try to run or avoid the difficult situations while we are going through them.. We need to say, if this is what I have to go through, then I am going to go through it victoriously. We need to always have the attitude of a conqueror whatever we want to do in life. We need to discipline our attitude, our emotions, our mouths and mind to behave in a godly manner all the way through it. Your flesh will want to rebel, Repeat over and over I am doing this for You Lord. I can't do it on my own and I don't even want to do it for myself. I want to do it for You as an act of obedience. Jesus never gave up. He went all the way through for us and we can do the same for Him.
