The winter wind

As the wind blows and the snow comes so will His grace and power.

2009 closed out with a sudden surprise of a very dear one going home to be with the Lord. My Mom passed the day after Thanksgiving. We rejoice that she is with the Lord but miss her dearly. This was unexpected and really shook me and still does.

Going through this grief process I am learning some very important things. One is we need time to grieve and adjust. Even a man of faith has to come to grips with this. I want to thank all who have been such a blessing in these times.

What is death? To a believer it is a passing from this life to eternal life. A door way to the life hereafter. To those of us still here we lean on each other and love and support each other with the comfort of our Saviour and His love. Still, we all have to find that place of acceptance and expectation of seeing and being with our loved one again. I really desire now more than ever to impart the loving, saving knowledge of Jesus. Jesus the Saviour the only answer to all our questions. He is a true comforter He and He alone is the answer. He will meet you where you are. He will comfort you and He will show you the way. If you don't know Jesus in this personal way then right now you can. This prayer will help you: **“Lord Jesus I ask You to forgive me of all my sins. I ask You to come into my heart and live in me. I believe that You are alive and the only way to Salvation. Thank You Jesus for forgiving me and saving me right now in Your Holy Name I pray.”** If you said that little prayer and meant it from your heart then according to His Word you are Saved. Contact us we can help you grow in the Lord and help you to find a good Bible Believing Church.

The wind of the Holy Ghost is truly blowing all over this planet. His wind is strong and His wind is good. He will never leave you nor forsake you. His wind is warm and loving. He will comfort you in your time of need. If you need a Bible please contact us and we will send you one free of charge. I want you to read Romans chapter 10 verses 9 and 10. I want you to know Jesus as your personal Saviour and Lord. I don't want you to be just another religious Christian but a Christian that has a living dynamic relationship with Jesus the Christ.

Life is good. Take time to enjoy and love your loved ones. We are all only here for a short time. Make every minute count for the good! Love someone today, Blessings,

Pastor, Dr Russ

Where is Your Promised Land ?

Deut. 30: 19 & 20...Amp...I call Heaven and earth to witness against you, that I have set before you life and death, the blessing and the curse; therefore choose **life**, that you and your descendants may live; To love the Lord your God, to obey His voice, and to cling to Him; for He is your **life**, and the length of your days, that you may dwell in the land which the Lord swore to give to your fathers, to Abraham, Isaac, and Jacob.

The land mentioned is the promised land, which for the New Covenant believers, is not a geographical place but a spiritual place that we find in Jesus. It was the land that flowed with milk & honey meaning the place where all that we could ever need is there for us...and in Jesus, is the sum of everything we could ever need...He is our **life**.

1 John 5: 10 – 15..KJV...vs.10 -12a..He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that God gave of his Son. And this is the record, that God hath given to us eternal life, and this **life** is in His Son. He that hath the Son hath **life**.

When I see the sun ablaze, and the night turn to day then I realize it is all because of You.

When I see the flowers grow, but I never see how the wind blows, then I realize it is because of You.

Yes, Your word is true.

Yes, everything is because of YOU.

When I see the sea rise real high, or the sky come down so low, I realize it is because of You.

When I am on my sick bed half dead, and the next thing I know I am feeling good and ready to go, then I realize it is because of You.

Yes, I realize that everything is because of YOU.

Thank you for a great awareness and understanding of You.

You are close to me, and I never want to change this.

Your love is all I need.

Pastor Russ called a 21 day fast in our home church, I am not really sure how many truly fasted and gave self up to have that closeness with our Father. I pray everyone did but only you and He (the Lord) would know. I fasted for 21 days faithfully. Within this time, it was an awesome unbelievable time that I spent with my lover of my soul. I gave him my heart for Him to draw me deeper everyday and every moment with the Saviour of my life.

I am not going to say it was easy in the beginning but after surrendering self and allowing Him to be number one no matter what was going on each and every day and having a relationship like never before it is something I don't want to stop. I am; in my own personal walk with the Lord searching for what is missing within my life and where I go from here. He has been so patient and loving and caring showing me step by step that each step I take is with him at my side.

We all have things we want in life, but is it what the Lord has for you or is it self wanting these things to come to pass. Are you where you're suppose to be? Or is the enemy controlling your life's direction. You need to hear the voice of the Lord for that direction.

I see now that each and every part of my life from the very beginning of my life it was to be where I am today and where I am about to go where He is leading me.

This is an awesome ride! Praise God for this, because without Him I am nothing.

Come and see what happens when you commit yourself to Him. David the Psalmist was right on target when he asked, Lord, that I will seek, search and ask to dwell in the house of the Lord all the days of my life. He found his self worth and inner satisfaction, since it was empowered by the presence of the Lord. I believe we all need to continually desire this intimate relationship with God, if we want to experience lasting inner joy. Did you ever wake up in the morning and think wow life is good, praise Him, that I am satisfied and then at the end of the day go to bed still satisfied, this is truly living an abundant Spirit filled life.

Jesus said, Man does not live by bread alone, but by every word that comes from the mouth of God. Are you taking your daily requirement? We were created to live a joyful vital life, with a relationship with Him. There is something so wonderful about reading His Words and hearing Him speak His promises to us

through his Words.

With spending time with Him in his Word, you will sense His presence and begin to see changes in your life that will amaze you.

The blessings of God are released to us according to our level of maturity in Him. This maturity is seen through our daily lifestyle, and through the way we treat others. You can truly see the maturity level when you will be tested by someone capable of bringing out the worst that is still in us. Spending this time with Him causes you to be sensitive to the love He wants to show you and to others.

Since this fasting, I have come to realize that being self sufficient isn't always the way. By drawing on the ability of the Holy Spirit, I can accomplish more in my life than what I could do in my own strength. And there has been times relying on self can be powerless to help others, but the Holy Spirit can empower and work through me to help others.

The other night I decided to go get a soup. While there I saw someone that really needs the Lord to change their life. They are heading in the wrong direction and choices were bad that they had made. I went up to that person and left a one way tract that we pass out. That person was like what is this..I asked that person to read it and said it will change your life...and I left.

What I didn't realize was that others were watching me from afar. On my way out they asked me why I did this..I said to them that the Lord told me to do it and I was being obedient to Him. I then left. A few moments later I heard wait a minute, I turned it was the same couple from inside the place I had just left. They were really curious on why I did this and took time out to do it. All I said was I have been fasting and through this have come to realize that for me to have peace within me at all times I need to listen to Him and the direction and leading of what He wants me to do. We talked for a bit, I gave them my card and invited them to church. The Lord put this all together all I did was do what He had asked me to do through the Holy Spirit that empowered me to act on it and trust the Lords hand on this.

Just today, I saw the person that I had given that one way tract too. He said to me thank you and that his choices will be different just because I took that first step. He had chosen to listen to the wrong people and he could see that through my actions.

Thank you Jesus for helping this person. I give you all the praise and glory for your working hand in this.

Lord touch that person and that couple and lead them to your Word.

Through this fasting my relationship is so much closer with Him. I pray that each and everyone of you begin to have that personal relationship with the Lord. It will change your life!!
